

Maher Daniel

Every now and then we read about people doing amazing things, and every now and then we hear people doing amazing things. one of those people is Maher Daniel.

With throbbing bass lines and blissful melodies, complimented by that glitched out techy edge, waves of people see themselves moving to the sounds generated from this energetic youngster.

With 5 years behind his belt as both a DJ and Producer Maher has proven to be a rising act in the Dance music industry with such a short period time. Frequently Gracing the decks the worlds 14th Best and North America's best club in the world Stereo. Maher can be caught playing along side some of the worlds top jocks.

Along with his regular club gig at Stereo Maher has also performed at festivals such as Piknic Electronic, Igloofest , and Creamfields.

On a Production level Maher has clearly proven to grow artistically with a slew of release and remixes on labels such as Bedrock Records, Get Physical Music, Souvenir Music, Blitz and many more.

Maher Continues to push and work hard with his productions, every day is a growing experience in the studio and dance floors. With support from major players on the circuit Maher's goals are to grow and flourish as one of the industries leading new generation artist.
