

COOPER SAVER

Billing — Permanent Vacation | Internasjonal | ESP Institute

Based in Vancouver, Canada

BIO

Cooper Saver is a producer and DJ originally from Los Angeles known for his releases on Hivern Discs, Permanent Vacation, Internasjonal, and a steady flow of remixes. Cooper ran a monthly warehouse party, cassette tape series, and radio show called Far Away, which began in 2012 and lasted 8 memorable years.

These days, Cooper is based in the mountains of western British Columbia, Canada, and is focused on production work. He's currently working on solo material for FourFour Records, a new label from Jonathan Galkin (co-founder of DFA Records), and is also half of a band called Inner Flight, alongside Pop District, with music coming out in 2022 on Vancouver label Pacific Rhythm.
