

Mozhgan — Tech & Hospitality Rider

FLYER:

**** Please make sure artist name is spelled correctly. It is often misspelled. ****

DJ:

- 1 x Pioneer A9 or V10 mixer
- 2 x Pioneer CDJ3000 Nexus 2 CD players (linked with a LAN cable) or CDJ2000 Nexus 2 ok if not available
- 2 x High quality monitor speakers placed left and right of the artist at head height, controllable by the artist; No Wedge Monitors. Monitors should not be on the floor.

Notes: The mixer must be in perfect condition and need to be equipped with adjustable EQ controls. Each Pioneer CDJ-3000 must be updated to the current firmware version. The monitor system has to transmit the audio signal without an audible ratio of distortion. The whole system must produce an excellent audio reproduction.

All equipment must be checked and approved by the artist before the event. If any equipment (including monitors) is missing or in bad conditions, the artist will not perform.

Recording of the artist's performance is not permitted in any case, unless the promoter obtained a written permission from the artist or his agent in advance.

ON STAGE:

- Sufficient cold drinks - still water, sparkling water, beer

HOTEL:

- 4* non-smoker double room with WIFI access & breakfast included & paid by the promoter. A double bed (not 2 single beds). Hotel to be suggested to the agent before booking. Late checkout no earlier than 3 hours before the airline departure time.

MEALS:

- A hot meal prior to the gig (or dinner buyout). Local food is perfect!

TRANSPORTATION:

- The driver must be reliable, rested, sober, and driving at a reasonable speed. If the artist doesn't feel safe with this person, they are free to ask for another driver.
